

Dear Mr. Graafmann, dear Mrs. Walter,

we received from you a diploma awarding our Barolo Sorì del Rovere 2003, it has been a very appreciated surprise and we would like to thank you for that and for your precious collaboration. Prizes like your diploma really renew our energy and motivate us to work better and better. Please do not hesitate to update us on your promotion projects and we will be pleased, as far as possible, to take part to them and to support your program.

Thank you again.

Best wishes
